

Service Call Fee  
Sewer Water Service Fee  
January 31, 2013.

Effective March 1, 2014, the Village of Logan will charge a fee for Sewer and Water Department service calls for residential and commercial customers.

There will be a \$75.00 plus equipment cost for the following service call:

1. Sewer blockage on private property.
2. Grinder Pump Customers - Sewer blockage to lines before the grinder pump.
3. If the Grinder Pump is not working due to a customer disconnecting electricity.
4. Damage to water system (including water meter).
5. Service call after first call out for customer water leak.

There will be no charge for the service calls if:

1. The blockage is in the Village right-a-way.
2. Grinder Pump malfunctions.
3. Turn off water for leak on customer side.

There will be a fee of \$250.00 plus cost, equipment and manpower hours for damage to the main water and sewer lines caused by pressure.

Equipment charges are as follows:

|                |                   |
|----------------|-------------------|
| Backhoe        | \$100.00 Per Hour |
| Mini Excavator | \$50.00 Per Hour  |
| VAC/Trailer    | \$75.00 Per Hour  |
