

Logan Police Department

The Logan Police Department is a full-service department consisting of a Chief of Police and three full-time sworn officers. In addition to being fully certified New Mexico law enforcement officers thru the New Mexico Department of Public Service Training Bureau, they have advanced training in most areas of law enforcement including investigations, narcotics investigations, undercover work, evidence gathering, administrative issues, and several other fields.

Each officer has a take home unit, a department cell phone and is available for an immediate call out if needed. At least one officer is on call 24 hours a day. All officers are dispatched by Tucumcari/Quay Regional Emergency Communication Center located in Tucumcari, NM which dispatches for all of the area agencies. The Logan Police Department works closely with the NM State Police, Quay County Sheriff's Department, and the Ute Lake State Park officers.
