The Village of Logan Sr. Center serves as a gathering place for the "60" and over crowd, but we love to have visitors from the surrounding counties. Senior residents visit at the center on a regular basis for coffee, meals, entertainment, and a variety of other activities. We have an exercise room, a library and computers are available Monday - Friday from 8:00am - 2:00pm. Games and puzzles are available daily. There is also transportation available for trips such as shopping, area attractions, etc. We are not able to give rides for out-of-town scheduled appointments at this time, but we can in town rides. All you must is call the center to schedule. We also bring Seniors in for Congregate lunch, if you are interested in this just let us know, we would be HAPPY to have you! Suggested donations per meal is \$4.00 (no eligible individual will be denied services for inability to donate) The cost of a meal for guests under 60 is \$9.00. If you would like to start services call, the Senior Center and speak with Jennifer. Let us know which days you would like meals. If no answer please leave a message with your name, number, address, and first day you wish to receive services.

If you are interested in volunteering, we would love to hear from you. Our goal is to enhance the lives of Senior Citizens through support, nutrition, education, activities, and FUN!!!
